A complete [menu](#) of Simpson's Fish And Chips from [Stroud](#) covering all 18 menus and drinks can be found here on the card. Simpson's offers a unique take on the classic fish and chips experience, highlighted by friendly service and a gluten-free night that attracts diverse diners. While many rave about the fresh, crispy fish and tasty batter, opinions on the chips are less favorable, with reports of small portions and lacking flavor. The quirky packaging, although aesthetically pleasing, reportedly contributes to food cooling quickly. Despite these drawbacks, some patrons describe the meal as exceptional, urging others to visit. With a welcoming environment and a range of options, Simpson's proves to be worth a try, albeit with some caveats.
