We had a take away from this restaurant which was tasty although the dishes were very hot with spices so not for the faint hearted curry eaters. Friendly staff and easy location to reach with parking directly outside; although limited if the restaurant is full. [read more](#). The restaurant also offers the possibility to sit outside and eat and drink in pleasant weather, And into the accessible spaces also come clientele with wheelchairs or physical disabilities.

What [User](#) doesn't like about Krishna's:

Visited before Xmas for the Sunday Buffet. On the whole pretty good. Flavours quite spicy...please be aware! My girlfriend found the spice a bit too much!! Food relenished in reasonable time but could be faster. Quality of lamb meat and fish was rather poor, chicken okay. Not actually sure whether they still do this buffet as monday to saturday lunches were axed. Not really busy when we visited. [read more](#). At Krishna's in Stoke-on-Trent, typical Indian spices fine dishes with sides like **rice or naan** are freshly prepared, Furthermore, the visitors love the inventive combination of different meals with new and partially experimental products - a nice example of *successful Asian Fusion*.
