The **menu of Epic Pies** from London includes 42 dishes. On average, **dishes or drinks on [the menu](#)** cost about £9. The categories can be viewed on the menu below. What [Theo Powell](#) likes about Epic Pies: unfortunately they only had a festive menu and we were not aware (it was not on their website). they had only one dead left, even though it was only 7 o'clock, we were there for the dead! [read more](#). The restaurant also offers the possibility to sit outside and have something in pleasant weather. What [Stephanie Scott](#) doesn't like about Epic Pies:

The service we received was not great. The waiting staff appeared uninterested in what we wanted and did made us feel like a 'chore'. My food was cold and my friend's food was on a minute slate tray which made it impossible for her to eat and keep the food on the plate. There was no crushed ice for my mojito and we felt rushed out, despite it not being full. Very disappointing and will not be returning. [read more](#). Epic Pies from London is a good option for a bar if you want to have a *cocktail after work* and sit with friends or alone, Here you'll find sweet pastries and cake, small snacks and chilled refreshments and hot drinks. Not to be overlooked is also the comprehensive selection of coffee and tea specialties in this locale, Also, the drinks menu at this place is exceptional and offers a significant and varied variety of both local and international beers, which are definitely worth a try.
