A great wee gem of a coffee shop, filled with treats to tempt you. The nicest carrot cake I've ever eaten but I need to try the croissants as they look incredible. Once you try it you'll just keep coming back. [read more](#). The restaurant also offers the possibility to sit outside and have something in pleasant weather, and there is complimentary WLAN. What [frankm654](#) doesn't like about The Copper Lab: Coffee:

This place is trying to be different as a coffee shop, but really does not. I was there probably 3.30 ish and I could not even get a ham roll. No food from kitchen after 3pm I think they said. As a diabetic only the usual tray bakes and sugar over loads. I had a latte and a custard tart. Was ok but that was it. At 4.50stg was expensive. Friendly guys running it, but just not enticing enough to stand out from others. Th... [read more](#).
