What [User](#) likes about Mangosteen: big eating and a mostly vegan menu, I would like to see that the place full of vegan go I am not sure why it is not if any vegan food can eat, but vegans can not eat [vegetarian](#)! the pasta was amazing I think about it often haha. beautiful atmosphere and wonderful staff. [read more](#). What [User](#) doesn't like about Mangosteen: Great to have a vast choice of plant-based dishes under one roof but for the prices being charged they need to be well executed, lavish indulgent, which they weren't. Drinks menu is also limited lacking variation, we gave feedback but the bill didn't really reflect it. Didn't feel like the team had any real ability to appease us on either the drinks or food front. Just hope they up their game to match the prices targ... [read more](#).
