The menu of Aburi from London includes 163 meals. On average, meals or drinks on the card cost about £9. The categories can be viewed on the menu below. The restaurant and its rooms are wheelchair accessible and thus reachable with a wheelchair or physiological limitations. What [Pete Ann-Kathrin](#) doesn't like about Aburi: I'm not sure what to say. It may be marvelous. I made a booking and then they phoned me to say that they were closed. It's good that they phoned, but would be better if they didn't advertise that they were open. [read more](#). Aburi from London is a good option for a bar if you want to have **a beer after work** and sit with friends or alone, and it's made with lots of freshly harvested vegetables, fish and meat, *healthy Japanese meals* prepared. The Asian fusion cuisine is also an important part of Aburi. Anyone who finds the normal and generally known meals too ordinary should approach with a willingness to experiment and try some unexpected combination of ingredients enjoy, on the menu there are also a lot of **Asian dishes**.
