they've changed a few things recently...and not for the better i'm afraid. the battered sausages now taste like linda m's and the fish is now very fishy! [pizza](#) seems to have changed as well...kebabs and chips are still nice [read more](#). It's certainly always an event to be in a **typical saloon** and to consume; to feel like a cowboy for once with a beer and also the finger food like crispy fries, onion rings or a delicious burger, For a snack in between, the yummy sandwiches, healthy salads, and other snacks are suitable. Also, there are many timeless British dishes on the card that will satisfy any lover of British cuisine, Naturally, you should also taste the **tasty burgers**, accompanied by sides like fries, salads, or wedges offered.
