A comprehensive [menu](#) of The Princess Cafe Harbour from Scarborough featuring all 24 meals and drinks can be found here on the menu. In Scarborough, this fish and chip restaurant offers gluten-free options, accommodating service, and dog-friendly atmosphere. Customers praised the crispy batter on the cod, selection of sauces, dedicated fryers for gluten-free dishes, and friendly staff. The pricing was seen as a tad high by some, but overall customers loved the food quality, service, and atmosphere. The restaurant was commended for going above and beyond, such as providing complimentary cake for an anniversary celebration. However, not all experiences were positive, as one dining party felt mistreated by staff. Despite this, the majority of reviews were positive, making it a recommended spot for visitors and locals alike.
