My favourite vegan café. I always have the rice and three, and I've never been disappointed. When I worked in Manchester, I ate here at least twice a week. Whenever I visit now, I make a point of eating here. Six different vegan curries to choose from; I have the dhal, spinach, and one other from what's available. I know the samosas are delicious, too. I love this place. Cheers, Dave W. [read more](#). In pleasant weather you can even eat in the outdoor area. What [User](#) doesn't like about Aladdin:

Sorry to say but i will never ever be going back as i can get a good curry in the arndale food hall. Lovely staff but awful rushed cooked food [read more](#). The guests love it when Asian cuisine meets a bit of creativity. That's exactly what you can expect at the Aladdin from Manchester, with its creative Asian fusion cuisine - the right mix of familiar meets the adventurous world of fusion cuisine, One also prepares menus deliciously and freshly with original **Indian spices**. You can also look forward to **scrumptious [vegetarian](#) cuisine**, on the daily specials there are also a lot of *Asian meals*.
