I think the new owners need to re look at the quality of the food offered. My daughter had a burger which had nothing else in it at all no sauce, no salad. Just literally a burger and bun. Given the high quality of food across the many competitors in the area, it needs to be much better. Also the marketing people don't want to go to an empty pub so putting posts on the local Facebook community page saying things like... [read more](#). During a meal, a good drink is essential. In this **gastropub**, you not only get delicious dishes from the menu but also a comprehensive and particularly good selection of good beers and other alcoholic beverages that go well with the food, there are also tasty vegetarian dishes on the menu. The burgers of this place are among the highlights and are usually served with filling sides such as chips, salads or wedges, The meat is freshly prepared here on an open flame.
