I had chicken legs with scalions for porn, it is very delicate and tasteful! and I had the tiramisu as dessert, it's just fantastic! there are also beautiful alcohol to go with the meal. the employees in silvie are very friendly and sweet. here I feel like home. What [User](#) doesn't like about Silvie: 3 brunches with coffee etc. came to £60. All of my food was dry and cold (mushroom sausage bacon etc. and my toast was basically bread. My tomatoes also weren't cooked properly. It wasn't especially busy and nothing we had was complex in anyway, just a full english and some french toast. really disappointed to have spent £60 on such utterly mediocre food, as i don't believe any of the ingredients were particularly amazing quality in the first place, although it was hard to tell as very dry. There are far better brunch options within a 10 minute walk of this place i don't see why i would ever go back. At Silvie in Oxford you can try delicious [vegetarian](#) dishes, that are free from any animal meat or fish, here they serve a [appetizing brunch](#) for breakfast. Of course, we must not forget the extensive selection of **coffee and tea specialties** in this locale, Lovers of the British cuisine are impressed by the extensive selection of traditional menus and enjoy the taste of England.
