Starters, rice, side dishes all ok. But I thought I'd order something different for my main dish for a change. I ordered chicken rogan josh and how I wished I hadn't. Ok, so these "Indian" restaurants are 90% Bangladeshi and they don't do authentic curries...but they should at least bear some resemblance to the named curry. The main problem with mine though, was it really didn't taste good at all. If you do go, stay... [read more](#). Zinga Kitchen The **accomplished Asian fusion cuisine** will thrill you, the perfect balance of familiar flavors and exciting new creations will amaze!, on the daily specials there are also a lot of Asian menus. Customers also appreciate the use of original [Indian spices](#), there are also fine vegetarian menus in the menu.
