Been using Ampthill fish bar for many years, not the cheapest but the food is good you get a fairly good size portion and the food is always fresh pub next door is great for popping in to whilst you wait for your good. Would recommend better than other local [kebab](#) shops. Food: 4 Service: 4 Atmosphere: 3 [read more](#). The restaurant and its premises are wheelchair accessible and thus usable with a wheelchair or physical disabilities. What [R Y](#) doesn't like about Ampthill Fish:

2.90 for a small portion of chips. On the phone while serving me. No sauces offered. You think this is Harpenden High Street or something? Na it's Ampthill high Street just out of Bedford. Stop ripping people of just because you can and go trade in Luton/Bedford, where you are probably from and sell at a more appropriate price. Just like the Kurdish barbers round here charging London prices. 1 piece chicken and chips should be £3, not a small portion of chips. If you're in a rush, you can get tasty Fast-Food menus to your taste from Ampthill Fish in Ampthill, freshly prepared for you in few minutes, In addition to that, the customers of the establishment can also enjoy typical menus from [Turkey](#) - starting from Lahmacun, over different kinds of Kebabs, to sticky-sweet desserts.
