What [User](#) likes about *Wolf Espresso Bar*: personal is super friendly, the special coffees are like in the sky, the cake is delicious. not everything is vegan, but there is enough choice for the vegan. the delivered breakfast is delicious, but not especially, that can be better, but it is good. there is a lot more choice in the vegan world than they offer home to breakfast. 4 stars because it is not completely vegan. [read more](#). What [User](#) doesn't like about *Wolf Espresso Bar*: Atmosphere lunchroom is a lot of vegan options. We ordered a latte, but we have a cappuccino. Very good, but very little. Divers vegetarian baked, quality was fine and served well and hygienic. Unfortunately, the staff refused to wish, there was a stoic, and in questions, you were ignored. Looked like living in their own world, and to deal with it, we had to go to an ATM first, only with cash. The only thing big here... [read more](#).
