at the first attempt to try out everything from their menu, ordered to take away by wolt. was really eaten vegan pho again, it was not disappointed! I was just a bit disappointed that the nudes were all glued together like a lump. I had to severely separate them in the suppe to be able to eat it taste was delicious! looking for other vegan options she got read more. What User doesn't like about Monsun Noodlebar:
I've eaten here 6 times! 2 of the times the dishes were suuuuper good, 1 average, and 3 meh/not worth it. It's a shame that the taste is so uneven, though it's really nice that they have a dedicated vegan menu with multiple options. Updated from previous review on 2021-12-28 read more.
