this place as it is nice to go somewhere is not a chain and it was good! over 6 vegan starter options, a pasta dish, risotto and [pizza](#) options. I went for the risotto and think it would have been better with some vegan parmesan, but that was not available. real portion sizes! had bruschetta and oliven to begin and they were delicious! complete and satisfied at the end updated by previous review on 2021-10-04 [read more](#). In beautiful weather you can even eat in the outdoor area. The Signor Valentino from Cardiff dishes out various fine [seafood dishes](#), and you can expect typical Italian cuisine with classics like [pizza](#) and pasta. Naturally, they also provide you with tasty [pizza](#), baked straight from the oven in traditional style.
