What [Abdallah E](#) likes about Bremer:

One of the restaurants in mansoura, maintaining the food quality is what makes this foody special. Got variety of foods (salads, BBQ, indian, sushi and sandwiches). The dine in restaurant service is slow, so I recommend sit at your home and order your food. [read more](#). What [User](#) doesn't like about Bremer:

very disappointed if certain elements are always not available, then remove them from the menu. I am sorry to wait for a table for so long, just to find out what I am here is not available. So I have to order a replacement and only recently even the replacement shell is not available. that's been happening for more than a year. eating here has become a waste of money. [read more](#). Are you looking for sweet treats? In Bremer you will find magical desserts that will certainly fulfill your cravings, among the delicacies of this establishment are particularly the

Maki and *Inside-Out*.
