During meals, a refreshing drink is essential. In this **gastropub**, you will find not only flavorful meals, but also a large and comprehensive variety of good beers and other alcoholic drinks that compliment the food, At the bar, you can relax with a cool beer or other alcoholic and non-alcoholic drinks. Most often, the [burgers of this restaurant](#), which are among the highlights, are offered along with sides like french fries, salads or wedges, and you have the opportunity to try fine American meals like **Burger or Barbecue**.
