What [User](#) likes about De Linde:

In the course of the years, we've seen this case evolve to a classy tavern. It's a beautiful place about the windmill, especially in the summer, many hikers and bikers. The renewed room has big windows that are fully reopened by beautiful weather. The children live in the playground. Especially the friendly service and the space makes me very happy to get there. If the weather conditions are right, you can also be served outside. What [User](#) doesn't like about De Linde:

After receiving the menu card, we were going to pass our order. What we wanted to order was gone. They insisted on mussels, which was no use. Then the ribs were suddenly there. And the more expensive steak would be replaced by a cheaper version, but for the same price. Also, the kindness and clothing of the waitress left to wish for. We went on and we didn't eat. I'm not going to go back either. [read more](#). A visit to De Linde becomes even more rewarding due to the comprehensive range of **coffee and tea specialties**, For a snack, you can also have the fine **sandwiches**, small salads and other snacks.
