i ordered for takeaway and regretted it ever since. Firstly, the food came and the first mouthful i took it was luke warm. With a biriyani that is quite dangerous and did in fact leave me with terrible food poisoning the next day.

for sweet treats, Cinnamon Lounge with its **delicious desserts** can easily make an end of it, On the daily

specials there are also several Asian menus. You can also look forward to scrumptious [vegetarian](#) cuisine,

Besides, the creative blend of different menus with new and partially adventurous ingredients is appreciated by the visitors - a good case of Asian Fusion.
