First time Trying Khyber, I don't normally like Indian food but my wife does, got a delivery, food was absolutely amazing, better than most restaurants I've tried. Would highly recommend and we will be ordering regular now.

Great communication and order to a T. Great service guys. Thanks John and mandy [read more](#). What [User](#) doesn't like about Khyber Indian Takeaway:

How bad is it when they can't take numbers down rite then tell me how sorry they were an give me a free meal an asked me to change my review which I did no doubt but I've just rang tonight only the 3 time ive used them nice food but now saying no card payments over the phone, that's weed like they just me becuz he wrote the number in wrong, can't believe dont believe it an last time ill be buying from it [read more](#).
