the best place to eat in the opposite. very friendly staff that serves local food. that can wait long for some food at peak times, but it is worth it. Today we had beautiful eggs and spectacular sandwiches and their waffles are one

must! [read more](#). What [User](#) doesn't like about Valdres Mathus:

25 minutes wait to add elements and child menu must update to today's standard. Sausage with pommes is ok for a child, but add something else sweet. please get the cook to go to the cooking school to warm up, it's not okay to use an exploded sausage. Eat the delicious dishes here at the restaurant, and enjoy the stunning view of **landmarks** nearby, and you can look forward to the fine typical seafood cuisine. In addition to sweet pieces, cakes, and simple snacks, we also have *cold and hot drinks*, The customers of the restaurant are also thrilled with the extensive variety of differing coffee and tea specialities that the restaurant offers.
