You want a really good fondue restaurant in Gent? Don't look. Many cheese and meat options are available, including steingrill. The Belgian frits are also really good as the mixed salad comes with the fondue. Enjoy! [read more](#). The premises on site are wheelchair accessible and can also be used with a wheelchair or physiological disabilities, Depending on the weather conditions, you can also sit outside and be served. WLAN is available at no extra cost. What [User](#) doesn't like about Le Goût Avant Tout:

Lovely, quiet restaurant. Staff are initially a little cold. Cheese fondue more like a heavy bechamel. Served with fruit, which just didn't work. A little bland but plentiful. Reasonably priced. [read more](#). For those who want to *have a drink after work* and sit with friends or alone, Le Goût Avant Tout from Gent is a good bar, The guests of the establishment also appreciate the extensive selection of various coffee and tea specialities that the establishment has to offer. Furthermore, you can order fresh **roasted meat**.
