What [gemmaV2279ST](#) doesn't like about Mr Yummie:

Me and my friends ordered from here by phone call went to collect it after they said it would be ready in 20 minutes. When we got there 20 mins later, they said they forgot about the order even though there was no one else in there waiting So we had to wait another half an hour for our food. By the time our food came it was cold and not nice at all I will not be going here again [read more](#). At Mr Yummie in WIRRAL, *crispy pizza* is baked fresh using a traditional method.
