A **complete [menu](#) of Rbg** from Manchester covering all **32** courses and drinks can be found here on the card. At the Park Hotel restaurant, the atmosphere is inviting, featuring a lovely terrace with cozy heaters, making it a great spot for relaxing evenings. While the food garners mixed reviews—some dishes praised for flavor but others criticized for presentation and temperature—the friendly staff shines through, with notable service from dedicated team members. However, disorganization in service appears to mar the experience, as waits for food and drinks can be lengthy. Despite these inconsistencies, guests are drawn in by the appealing décor and reasonable prices, making it a place worth considering for a casual dining experience.
