I'm italian, I had my own italian restaurant for years, and I can only say about this place, is amazing. Is the best [pizza](#) I ever had from a takeaway, always arrive on time, and flavour wise I can only say is amazing. Keep going on this direction and you will always succeed. I'm definitely recommend to everyone want to a little taste of Italy.

This used to be such a great takeaway but it changed hands a couple of months ago and has gone downhill. There is no real ham on the pizzas just a turkey substitute, the pepperoni is also not real pepperoni. The cheese on the [pizza](#) tasted so artificial so think they are cutting corners on ingredients. The pizzas are much better at Elliotts in Bamford precinct.
