On this webpage, you can find the **complete [menu](#) of The Muddy Puddle** from North London. Currently, there are **28** meals and drinks up for grabs. We are proud to be a 100% Plant Based kitchen that specializes in Latin American flavors using only the highest quality produce. Our owners bring their Argentinian roots and international travel experiences to create bold and delicious dishes. Currently undergoing a small basement refurbishment to host exciting community events, we have simplified our menu to showcase our renowned Vegan Empanadas and weekly specials on weekends. Unfortunately, we are not accepting bookings at the moment due to the renovations, but we will soon be extending our hours and reopening for reservations. We can't wait to welcome you in the near future! ♥.
