When the weather conditions is nice you can also be served outside, and there is free WiFi. In the restaurant you can not only enjoy the delicious savory menus, but also the hypnotizing view of the local **must-sees**, Furthermore, the visitors of the establishment enjoy the extensive selection of the various coffee and tea specialities that the restaurant has available. You can still relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink, and you may look forward to the tasty typical seafood cuisine.
