What [badm123](#) doesn't like about Jaqks Chicken And Chips Co:

Got to say I was disappointed, the food was OK, chicken was overcooked, the nicest part of the meal was the chips. You have put this store in the wrong area as it replaced kfc which in my opinion was way better, the prices are a lot more compared to kfc. I really don't see this store lasting very long here [read more](#).
