We had a takeaway and we were blown away by the nicely chosen spices in each meal. The portions are generous and the food is cooked with care. The menu changes, which is great. Prices are very reasonable too. Definitely recommend this place! [read more](#). What [User](#) doesn't like about Pan Asia Delicatessen Gourmet Store:

It was a curry nightmare. I ordered Indian xxx mango curry, it was the worst curry I have ever tasted the spice was bland, there was no mango, and the chicken terribly dried and overcooked, and some parts even burnt. I don't know where all the good comments come from, but as a Malaysian, I can discern between a good and bad curry, this one is terrible, I had to throw it away. [read more](#).
