A **complete menu of Astbury Garden Centre** from Cheshire East covering all **32** menus and drinks can be found here on the menu. Topiary Café presents a mixed experience for diners. While the café environment is enjoyable and staff are friendly, food presentation raises concerns, particularly with uncovered items susceptible to contamination. Limited menu options, especially for those avoiding fish, lead to dissatisfaction. Diners express disappointment with specific dishes' quality and a lack of vegan offerings, including cakes and dressings. Despite the challenges faced during busy times, some guests appreciate the café's ambiance and the drink selections. Ultimately, while some visitors are eager to return, others are hesitant due to food quality and variety issues, highlighting a need for improvement.
