On this site, you can find the **complete menu** of Caffe Nero from City of London, Westminster. Currently, there are **22** menus and drinks available. Caffè Nero offers a mixed experience that highlights both its charm and operational challenges. While customers appreciate the cozy ambiance, friendly staff, and unique drink options, including a standout pistachio latte, service inconsistencies mar the experience. Reports of slow service, lack of knowledge regarding menu items, and issues with drink temperatures have led to frustration, especially during busy periods. Bathroom facilities have also been noted as needing improvement. Despite these drawbacks, many enjoy the delightful food offerings and the vibrant atmosphere, making Caffè Nero a popular destination for coffee lovers, particularly in busy urban settings.
