A **comprehensive [menu](#) of Abokado** from Islington covering all **15** courses and drinks can be found here on the food list. Abokado offers a vibrant atmosphere and a healthy menu, attracting a steady stream of customers.

Diners can find a variety of options, from sushi to vitality salads, with standout favorites like the Turmeric Energiser. While the sushi is generally likened to offerings at Iitsu, some dishes like the microwaved Thai green curry surprise with flavor. However, inconsistent service and lukewarm hot meals detract from the experience. Many appreciate the friendly staff and clear decor, making it a decent spot for a quick and budget-friendly meal, though those seeking truly fresh cooked dishes may leave wanting more.
