What [Vukota Kruškonjić](#) likes about Chip Inn:

Tiny little chip shop but very busy. Best scampi I've had from a chip shop in years. Chips were great and when I cooked some up the next day, even better. Very impressed with their tartar sauce, no tiny packet for once and could have only been improved by being homemade. That said the chilli sauce that came in a pot was top draw; loved it. Great place will definitely use again. [read more](#). As a visitor, you can use the WiFi of the restaurant at no
