beautiful place to hang out with friends and family. when I visited, it was too crowded and waited for about 20 to 30 minutes for a little. but the taste and the ambience is good...her sweet chilli-kicke wrap is a must try a [read more](#).

You can use the WiFi of the place at no extra cost. What [Sebastian Rose](#) doesn't like about McDonald's: Place was packed with no organised waiting. Food took about 20 mins and when it came mine was cold and dry and most of it was left. Already had to fight my way through crowds to pick up missing items from my order and couldn't be bothered doing it again to complain so complained to customer services, they've not bothered responding. This is just with this particular restaurant, had no issues with any others I've been... [read more](#). A visit to McDonald's is particularly valuable due to the comprehensive range of coffee and tea specialties, The barbecued food is freshly grilled here on an open flame. If you decide to come for breakfast, a *hearty brunch* is ready for you, The dishes are usually prepared for you in a short time and fresh.
