A complete [menu](#) of Chopstix from Cheshire East covering all 35 menus and drinks can be found here on the card. Chopstix offers a mixed dining experience that appears to fluctuate between delightful and disappointing. While many diners rave about the delicious food and attentive service, particularly praising the vegan and gluten-free options, others raise concerns over high prices, average portion sizes, and occasional unfriendly staff. The atmosphere can vary—from warm and welcoming during special occasions to less accommodating for larger groups. Despite the negative feedback, numerous patrons celebrate their visits, citing exceptional dishes and memorable evenings. Ultimately, Chopstix remains a restaurant that divides opinion but clearly has its loyal advocates.
