Had a lovely meal on Sunday. The turkey was delicious and the meal on a whole was well presented and on time. The waiting and bar staff were friendly and attentive and our dog was welcome and there was even treats for him too. We will definitely be going back soon. [read more](#). As a visitor, you can use the WiFi of the establishment free of charge, Depending on the weather conditions, you can also sit outside and be served.

What [Stephen H](#) doesn't like about The Three Frogs:

Sunday afternoon, very quiet, food (burgers) not good, looked like frozen patties reheated thin dry and compressed, chips very greasy (oil not hot enough or reheated) onion rings good, buns good. Service good but only 1/6 dozen customers. Not likely to return based on food standard. [read more](#). A journey through Great Britain without getting on a plane is absolutely possible when it comes to culinary delights: The Three Frogs in Wokingham traditionally shines for instance with Fish and Chips, *mashed potatoes* or roast with Yorkshire Pudding and for dessert a fine Trifle. Naturally, you should also taste the **delicious burgers**, accompanied by sides like fries, salads, or wedges served. You have the option to, after the meal (or during it), also relax at the bar with an alcoholic or non-alcoholic drink.
