Great food with incredible staff. One of the best Japanese restaurants I've been to in a long time. It has a cozy atmosphere that makes you feel like you're in the restaurant owner's home, and you feel very welcomed at all times. The prices are really affordable which is another bonus as the food is outstanding. You get more than you pay for. This is a must visit place in Brixton for sure. 10/10 would recommend a fri... Long time customer. Really good food, delicious teriyaki, and tempura and super fresh [sushi](#), i've lived in japan for a few years and reminds me really well of the food. well worth going! [read more](#). A visit to Ichiban becomes even more rewarding due to the large diversity of coffee and tea specialties, fine particularly are the Maki and specialties like [Inside-Out](#) that this restaurant is known for. The **Asian fusion cuisine** is also an important part of Ichiban. Anyone who finds the normal and generally known menus too ordinary can here approach with a willingness to experiment and try some exciting combination of ingredients eat, there are also tasty vegetarian menus on the menu.
