A very lovely Mother's Day meal. Like always a very warm welcome when we arrived, the owners and the staff are always very pleasant. The meal was three course with a complementary drink for the Mother! The special menu for the day was not extensive and portions not very big, but the food was very tasty. Loved the starters.

Definitely recommend this place. [read more](#). Ate here in January with my mother and a friend... food was very good and nicely presented buy why the chips with everything? Mum's salad was great and our friend's soup of the day was, according to her, excellent. I had lasagne and would have much preferred a larger portion and no chips! [read more](#).
