When the weather conditions is good you can also have something outside. What [User](#) doesn't like about Marriott:

Awful, pork crackling out of a bag! FFS, If you don't have the real thing just say you dont have it. Do not serve puffed scratchings out of a bag.! It gets one star because you can't give a minus and I felt sorry for the staff having to deliver food 20 mins after the rest of the party had theirs. For a large hotel chain it was very poor.
