The White Swan Inn in Ampleforth offers a mixed experience based on customer feedback. While some found the lounge bar exquisitely furnished with a warm ambiance, others were put off by the scruffy decor and lackluster service in the regular bar area. Despite mixed reviews on the atmosphere, the food consistently received high praise. Diners enjoyed the wide range of options, smaller portion sizes, and tempting specials. Excellent service was a common theme, with friendly staff going above and beyond to make guests feel welcome. Overall, the White Swan Inn is recommended for its delicious food and welcoming atmosphere.
