What [User](#) doesn't like about Fairly Square: Met with friends here for a pre-meal drink before visiting the nearby Bull Steak Expert. It's small, compact and cosy, but had a nice vibe. It feels more like a bohemian cafe than a modern bar, with a mixture of wooden furniture and comfy sofas. I've never eaten here, so can't comment on the food, but it's a nice place to chill with friends, especially midweek when it's not too packed. [read more](#).
