Two Steps in Sheffield used to be a favorite chippy for many, but recent reviews show some disappointment. Some recall a decline in quality while others praise the generous portions and friendly staff. The establishment once known for the best fish and chips in town has received mixed feedback. Some had negative experiences, such as finding a hair in their food and witnessing rude staff behavior. On the other hand, loyal customers appreciate the long history, affordable prices, and excellent quality of dishes. While opinions vary, Two Steps appears to still hold a special place in the hearts of many locals and visitors alike.
