family owned and run ice business. very friendly people. they make their own ice spot and some of them is in some very interesting aromen! the best we had are 'black forest gateaux' and the 'Turkish delight' that I don't think I saw somewhere else! They also make pancakes, a few hearty objects and good tee and coffee. I highly recommend to pick up some ice on the way to the beach or sit in their quirky mirror salon. [read more](#). What
