I popped in on a Monday evening and ordered a meal deal (meal deal 1). The meal deals are great value for money. We had a chicken kebab fries extra salad and a burger us two cans of drink. It came to about £13. Our food was cooked to order and lovely and hot. I find it best to go in and order rather than have it delivered as the food is always hotter. [read more](#). What [ian p](#) doesn't like about Acropolis:

Ordered a delivery after work I felt tired and fancied a [pizza](#). The [pizza](#) tasted like it was a frozen one from lidl. It was burnt and cold as well by the time I got it. Might as well just bought some frozen Iceland pizza instead at least then it wouldn't have been burnt. [read more](#). In Acropolis in Wiltshire, they prepare crispy [pizza](#) using a time-honored method, served straight out of the oven, The local offers its customers the opportunity to try authentic Turkish dishes like Lahmacun and various Doner. But make sure to leave some room for dessert!. Most often, the burgers of this place, which are among the highlights, are offered along with filling side dishes like french fries, salads or wedges.
