Here you will find the [menu](#) of Red Rise Indian in Fylde. At the moment, there are **16** meals and drinks on the menu. Red Rose offers diners a varied experience that highlights the highs and lows of takeaway dining. While many patrons praise the generous portion sizes and flavorful dishes, recent changes, such as the removal of complimentary poppadoms and chutneys, have left some disappointed. Service inconsistencies also emerge, with reports of canceled orders and delayed deliveries tainting the overall satisfaction. On a positive note, the staff's friendliness and prompt service often shine through, leaving guests hopeful for improvement. Despite the mixed reviews, Red Rose remains a viable option, particularly for those seeking tasty Indian cuisine in the area.
