4 adults and 2 children having meal on a Saturday evening. On the whole the food was good but one in the group had a mixed grill they were not asked how they wanted it cooking and was very tough, this was the only food issue we had. There was a "baby shower" in the adjacent room that was very loud which spoils the atmosphere in the dining room as it was exceptionally noisy. If we went again then would not if something on in the adjacent room. I feel they need to look at the layout to prevent diners having to put up with loads of noise. Woodcote from Cheshire West and Chester is a good place for a bar to a drink after work and be able to hang out with friends, For breakfast a **heartly brunch** is offered here. It should not be forgotten that there is a extensive variety of [coffee and tea specialties](#) in this restaurant, Particularly fans of the British cuisine are excited about the large variety of traditional meals and love the typical English cuisine.
