A **comprehensive [menu](#) of Little Italy Espresso** from Aylesbury Vale covering all **33** dishes and drinks can be found here on the food list. Following a recent refurbishment, Little Italy has sparked varied reactions among its patrons. While some appreciate the refreshed decor and maintain that the food remains delicious, many express disappointment over the revamped menu, which now features fewer options, notably the loss of popular salads and simple sandwiches. Service changes have left diners feeling frustrated, as the transition to table service has not been smooth, leading to longer waits. Although the café continues to serve good coffee and delectable cakes, the overall atmosphere has become noisier and less inviting, prompting regulars to reconsider their visits.
