What [User](#) likes about Sorento Take Away Food Shops: I can't rate sorento [pizza](#) enough! I was saved by my pizzeria van caterer a week before my party and sorento in the position to save the day with less than 1 week quit! my order of 50 14-inch pizzas didn't leave it at all. I finished adding additional 6 pizzas to order the day before and it was no problem! the mammoth order of pizzas were delivered on time and were pillt hot and more important they were delicious and... We live quite close to sorento and use quite often. Definitely reasonable quality and never have to wait too long As someone else remarked too much iceberg lettuce when having salad. [Pizza](#) is lovely , probably some of the best I have eaten Kebabs are good but it's a DIY job as you have to slice the pitta and put the ingredients inside, not a big problem unless you are out and about and don't have a knife handy.
