The food was absolutely delicious, the lamb doner was so tasty and juicy. The lamb shish was also one of my favourites. The chips were crispy as well. The customer service was very good. The delivery was so quick and it arrived before the estimated time. Overall I'm really happy with the service and will be ordering many more in the future. [read more](#). What [Pete B](#) doesn't like about Flavour 38:

Have used this place a few times over the last 12 months but the service and quality had dramatically dropped off, can always forgive one poor visit but it's been 3 in a row, ordered chicken and chips on my recent visit and when I got food home the chicken (what there was of it, 2 of the smallest drumsticks I've ever seen) was stone cold, real shame as place was good and so very convenient, I will never use again!
